

Azeno™
Single tooth replacement

Patient communication

The Azeno™ patient package

Patient folder

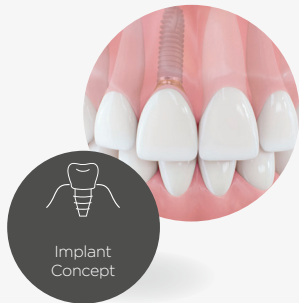

Patient video

- 1 Familiarize yourself with Azeno™ patient video and patient flyer. This supporting tool ensures an optimal patient consultation.

Easy navigation, through a menu that is easy to use

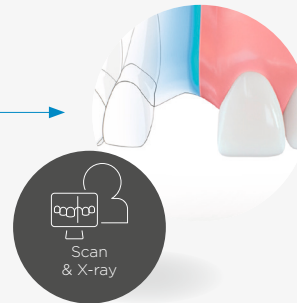

Chapter 0

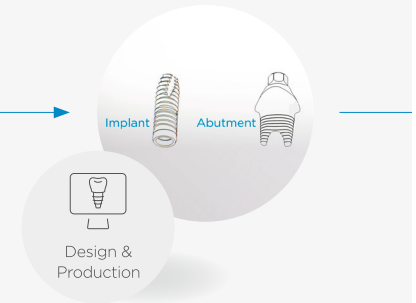

Chapter 1

Chapter 2

Chapter 3

- 2 Choose a stressfree environment to go through the Azento™ supporting material with your patient.
- 3 The simple menu allows you to address each chapter separately. Depending on requirements, the patient can be specifically informed about a specific treatment step.
- 4 To support the decision-making process, offer the flyer to the patient and instructions on how to access the video.

You can use these devices to watch the video.
