

Astra Tech Implant System®

Flexibility, convenience and efficiency
in the palm of your hand

Small Tray EV

Restorative

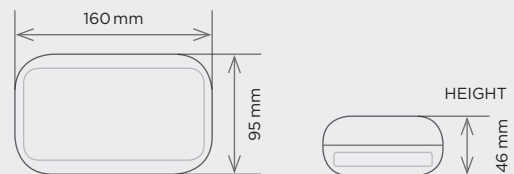

- Convenient storage of your restorative instruments for an efficient workflow
- One simple overlay supporting all restorative procedures; cement-, screw- or attachment-retained

Surgical

- Highly versatile overlay supporting a procedure-based workflow
- Easily adapted for clinical preferences to ensure only the needed instruments are at hand, preventing unnecessary cleaning
- Ideal for single-tooth procedures

Material specification: PPSU plastic, silicone (holders)

Small Tray EV Overlay Storage	25845*

*Instruments not included

Storage

- Flexible storage options for less frequently used drills and instruments, minimizing unnecessary wear
- Add-on solution or complement to Large Tray EV

Thinking inside the box

The Small Tray EV has been specifically designed for easy adaptation to restorative and surgical procedures. Its compact size promotes efficient use of autoclaves. Simple, interchangeable overlays and practical storage options support a streamlined workflow.

This brings simplicity and profitability to your dental practice. You save time and costs by only having to clean and sterilize those instruments used.

About Dentsply Sirona Implants

Dentsply Sirona Implants offers comprehensive solutions for all phases of implant therapy, including Ankylos®, Astra Tech Implant System® and Xive® implant lines, digital technologies, such as Atlantis® patient-specific solutions and Simplant® guided surgery, Symbios® regenerative solutions, and professional and business development programs, such as STEPPS™. Dentsply Sirona Implants creates value for dental professionals and allows for predictable and lasting implant treatment outcomes, resulting in enhanced quality of life for patients.
