

Happier patients. Healthier rewards.
One DS experience.

The One DS experience is designed to help you efficiently elevate your practice.

One DS isn't a rebate offer. Or a loyalty program. Or a sales pitch. One DS is a partnership that is focused on growing your business.

Will you receive money back on each purchase? Yes.

Will you gain access to exclusive promotions? Yes.

But, more importantly, you'll work in partnership with One Team having One Priority: **Elevating Your Practice!**

"Dentsply Sirona has been part of my practice revolution, working with one well trained team with all products under one roof ensures seamless integration. The ergonomics of the equipment and the integration of the technology is what sets their product line apart from others. My practice enjoyment and my patient satisfaction has never been higher."

- Dr. Michael Parchewsky, DMD, FAGD
