Digital x-ray imaging

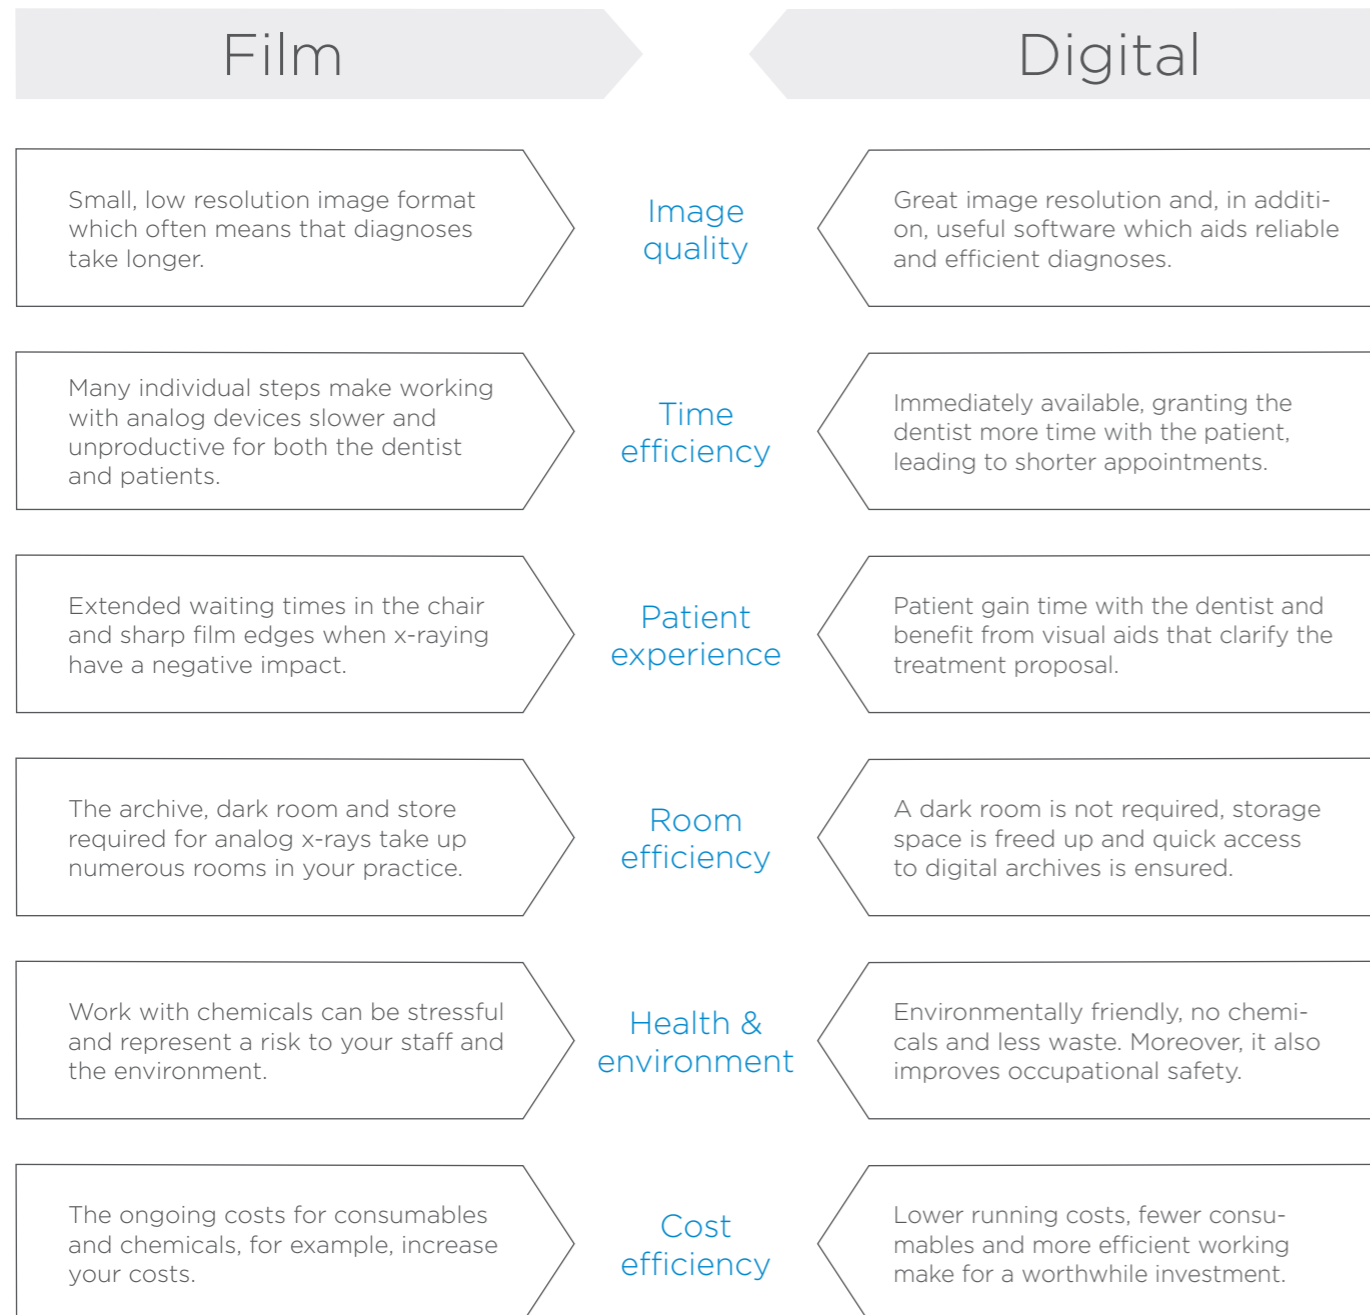

Nothing to be afraid of

dentsplysirona.com

Why switch to digital? Little to fear, a lot to gain.

Why Dentsply Sirona?

The best image quality with the lowest dose and a perfect workflow. Digital system solutions from Dentsply Sirona are scary fast & terribly safe.

- HD**

Best image quality
Image quality is all-important and with an array of innovative technology solutions built into every unit, Dentsply Sirona has got you covered.
- Lowest dose**
All Dentsply Sirona x-ray units are optimized to achieve the best possible image quality at the lowest dose following the ALARA principle*.
* "As Low As Reasonably Achievable".
- Integrated system solutions**
See more. Do more. Smart software integration expands your practice offering at the click of a button.
- Simple to use**
Smooth-running workflows thanks to intuitive operator guidance and clear control element arrangement.
- Efficient workflow**
The digital imaging systems from Dentsply Sirona are very flexible and can be adapted to the practitioner's individual workflow.

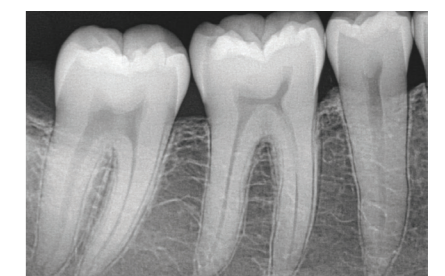

Your choice of digital x-ray solutions
