

## #DentalER: Initiative from Pacific Dental Services

There is a Public Service Announcement Campaign by Pacific Dental Services, we would ask all employees of Dentsply Sirona to support:

**When facing dental pains – please reach out to your dentist and preserve the precious capacity at hospital ERs & urgent care centers for COVID-19 and other emergencies.**

Together we can help the health system to stay efficient and make sure that as many people as possible can get the treatment they need.
